

Auto Pay Payment Is A Win—Win!!

- Three things aren't free—checks, stamps and your time
 - Autopay enables effortless and timely payments.
 - Eliminate mail handling and delivery time delays
- No worries about forgetting a payment (no worries about late fees either!)
 - Get your reward points on your credit card
- Invoices sent 10 days before payments processed for time to review before payment

Authorization Signature: _____ Date: _____

By participating in auto pay you are authorizing Suburban Waste Services to initiate a debit from your financial institution for the payment of your quarterly waste removal bill. This authorization will remain in effect until you provide notification to cancel it in such a time as to afford the institution a reasonable opportunity to act on your request. You may also contact SWS to terminate this payment method.
